Convocation at Carleton University

The Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

The Mace

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. (Marshal of Convocation H.H.J. Nesbitt has performed this function for all but one of the University's Convocations.) During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English—"Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

Coat of Arms

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn on November 15, 1992 as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: "Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 82 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

The Diploma

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

Academic Dress

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's—are of the simple or Oxford shape. The bachelor's hood is made of black stuff; the master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: architecture is cerise; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; industrial design is dark cardinal; journalism is white with a black cord sewn slightly in from the lower border; management studies is camel brown with a black cord sewn slightly in from the lower border; music is venetian pink; public administration is peacock blue; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The bachelor's gown, to be worn with the above hoods, is of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The master's gown is of full style, made of black silk or rayon, with a full gathered yoke behind, and closed sleeves with an opening at the elbows. The doctoral gown is of the same style as the master's, but made of fine royal blue cloth with facings of light blue silk.

The two shades of blue in the doctoral gown are those of the United Nations, and are meant to recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree, in 1954, to the second Secretary General of the United Nations, the late Dag Hammarskjöld. The tradition of awarding honorary degrees to Secretaries General of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Science, Engineering or Architecture is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; and cerise for the degree of Doctor of Architecture.

Alumni Park

Weather permitting, today's Convocation ceremonies are being held outdoors in Alumni Park which was dedicated in 1992, at the initiative of the Carleton University Alumni Association, to commemorate the University's 50th anniversary. The arbour under which the Chancellor, the President and Vice-Chancellor, the Chair of the Board of Governors and the faculty are seated is a generous gift from the Association. It provides a permanent stage for Carleton's Convocation ceremonies and other events such as theatrical productions, concerts, and the like. Future plans for the Park include an enhancement of the existing fountain area with the construction of a plaza and landscaping to open up views to the Rideau River.

The Presiding Officer of Convocation is the Chancellor of the University,
Arthur Kroeger, O.C., M.A., LL.D.

Accompanying him on the podium are Maureen O'Neil, B.A., Chair of the
Board of Governors, and Robin H. Farquhar, M.A., Ph.D., F.C.C.E.A.,

Honorary Degree Recipient

**Beatrice E. Wickett, C.M., B.A., M.A.,
D.Ed., C. Psych.**

Dr. Beatrice E. Wickett, former Chief Psychologist for the Ottawa Board of Education, will be awarded the degree of Doctor of Laws, *honoris causa*, at the morning ceremony on Friday, June 16, "in recognition of a distinguished contribution to the Ottawa-Carleton region and to Canadian life more generally as a practitioner and volunteer in the service of children, the elderly, and the terminally ill, and to the development of psychology as a profession."

Beatrice Wickett received an Honours Bachelor of Arts degree in psychology in 1938 from Acadia University. She received a Master of Arts degree in psychology from Brown University in Providence, Rhode Island, in 1945. She then returned to Canada and worked in Montreal at the

Mental Hygiene Institute. There she was involved in assessing babies to determine their suitability for adoption by particular families, helped in a wartime day nursery, and also taught medical students. At the same time, she worked with neurosurgeon Dr. Wilder Penfield at the Montreal Neurological Institute on a research project.

In 1962, Dr. Wickett began her 20-year association with Ottawa schools. She worked with the Ottawa Public School Board which later became the Ottawa Board of Education and, in 1970, she was appointed Chief Psychologist. During her tenure she established many programs for autistic children, emotionally disturbed children, and, in conjunction with the National Research Council, facilitated the establishment of a bio-feedback program for disadvantaged students. She also introduced a program called "Step-by-Step," a scheme to match an emotionally disturbed child with a volunteer who was willing and able to offer friendship and support to the child. The program has since been adopted in many parts of Canada and in various other countries. She also pioneered a personal in-house staff counselling program, the first of its kind in Canada. When she retired in 1983, the Board established the Dr. Bea Wickett Fund to provide an annual award for "an outstanding contribution to mental health in elementary or secondary education in the province of Ontario."

Dr. Wickett has been instrumental in the formation of the Ottawa-Carleton Regional Palliative Care Association, an organization dedicated to improving the quality of care provided to individuals and families coping with terminal illness. Since 1984, she has been involved in the operation of the 25-bed palliative care unit at Ottawa's Élisabeth Bruyère Health Centre where, up until 1992, she served as resident psychologist, taking care of the needs of patients, family, and staff. In addition, she performed all the bereavement counselling for a five-year period and wrote a manual which is still in use at the Centre.

In 1980, Dr. Wickett received a honorary Doctor of Education degree from Acadia University. In 1982, she received the Ontario Psychological Association Award of Merit. Dr. Wickett received the Ontario Public School Teachers' Federation Meritorious Award in 1985, and, in 1988, she returned to Acadia University to be inducted into the Athletic Hall of Fame for her participation on the 1938 women's basketball team. In 1991, Acadia honoured her once again with its Distinguished Service Award. She has been a member of the Canadian Psychological Association for over 30 years and served as Honorary President in 1989-90. She is a Fellow of the American Orthopsychiatric Association and the Canadian Psychological Association, and is a founding member of the Ottawa Academy of Psychology.

Dr. Wickett was appointed a Member of the Order of Canada in 1986.

O Canada

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Honorary Degree Recipient

**Marc-Adéland Tremblay, O.C., B.A.,
B.Soc.Sc., L.Sc.Agr., M.A., Ph.D., D.U.,
LL.D., F.R.S.C.**

Professor Marc-Adéland Tremblay, distinguished anthropologist, will be awarded the degree of Doctor of Laws, *honoris causa*, at the afternoon ceremony on Friday, June 16, "in recognition of a distinguished contribution to the disciplines of sociology and anthropology in Canada and to a better understanding between the country's anglophone and francophone communities and institutions."

Marc-Adéland Tremblay was born at Les Éboulements, Québec in 1922. He received a Bachelor of Arts degree from l'Université de Montréal in 1944 and a Licence ès Sciences agricoles from the same university in 1948. He received a Bachelor of Social Sciences degree in 1949 and a Master of Arts degree in sociology in 1950 from l'Université Laval, after which he completed a Ph.D. in anthropology at Cornell University in 1954.

Dr. Tremblay returned to Laval in 1956 where he has held a number of leading academic and administrative positions. He established and was the first head of the Department of Anthropology (1961-71) and he served as Dean of Graduate Studies (1971-79). Since 1991 he has been Director of the Institute of Inuit and Circumpolar Studies.

Although much of Dr. Tremblay's research has been of special relevance to Québec, a great deal of it has Canada-wide applicability, a bridging role he continues to perform between anglophone and francophone communities and institutions. In collaboration with colleagues, he has pioneered the study of francophone communities outside Québec (especially Acadians and franco-Albertans) as well as the study of issues involving aboriginal people; he is the co-author of the two-volume Hawthorn-Tremblay Report on *The Contemporary Indians of Canada* (1966-1967). In his own province he has been very active in the fields of social research and policy. He served as President of Québec's Social Research Council from 1987 to 1991.

Dr. Tremblay is a member of some 20 professional associations. From 1965 to 1968 he was President of the Canadian Sociology and Anthropology Association. In 1976-77 he served as President of the Canadian Ethnology Society (later the Canadian Anthropology Society) and was also head of the Canadian Association of Deans of Graduate Studies. Dr. Tremblay was President of the Royal Society of Canada from 1981 to 1984.

Dr. Tremblay has published over 100 books and articles including *Les Comportements économiques de la famille salariée* (1964), *Initiation à la recherche dans les sciences humaines* (1968), *Famille et parenté en Acadie* (1971), *Communities and Culture in French Canada* (1973), and *L'Identité québécoise en péril* (1983).

Dr. Tremblay is the recipient of numerous awards and honours including the Royal Society of Canada's Innis-Gérin Medal (1979) and its Centenary Medal (1982), the Canada Council's Molson Prize (1987), the Marcel Vincent Prize from l'Association canadienne-française pour l'avancement des sciences (1988), and the Twentieth Century Award for Achievement from the International Biographical Centre, Cambridge, England (1992).

Dr. Tremblay received an honorary Doctor of the University degree from the University of Ottawa in 1982. He received the degree of Doctor of Laws, *honoris causa*, from the University of Guelph in 1984 and was awarded an honorary Doctor of Laws degree from the University of Northern British Columbia in 1994.

Dr. Tremblay was appointed an Officer of the Order of Canada in 1980. He was made a Grand Officier de l'Ordre National du Québec in April, 1995.

Friday,
June 16, 2:00 p.m.

O Canada

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.
